TITLE: WHAT MAKES WORKING AT BMS DIFFERENT?

BY: BMS EMPLOYEES

Speaker 1: I think it is the people that make BMS different. We offer great solutions in the insurance market, but it is the people that you meet, that you deal with, that you feel that something special. The atmosphere here – people enjoy coming to work and they enjoy doing their best.

Speaker 2: There are opportunities to travel, to work overseas, to be responsible for clients and accounts early on, so it is a very dynamic organisation to work for.

Speaker 3: To sum up BMS in a couple of words, it would be friendly, dynamic – especially dynamic. They are doing a lot of changes at the moment to push themselves forward.

Speaker 4: I would say BMS is a very forward-thinking organisation. It is very ambitious; it is not happy to rest on its laurels and it is continually looking to grow.

Speaker 5: I am very proud to work for BMS. It is part of my bloodline I think now. I am now coming up for 40 years old and I have been here nearly 23 years, so over half my life has been spent at BMS so I really, really enjoy it.
